SUMMARY

Computer Science undergraduate with a strong foundation in programming and problem-solving. Skilled in C++, Data Structures & Algorithms, and web fundamentals (HTML, CSS, JavaScript). Actively building practical skills through consistent coding practice and structured learning. Seeking internship opportunities to apply technical knowledge, learn from real-world systems, and contribute as a reliable team member.

WORK EXPERIENCE

Deshyoga Charitable Trust
Website developer

Aug 2023 - Jul 2024

- Designed and developed a full-stack web application using React.js for the frontend and Node.js + Express for the backend
- Built RESTful APIs and integrated them with MongoDB for data storage and retrieval
- Implemented responsive UI using HTML, CSS, and JavaScript for cross-device compatibility
- Worked closely with non-technical stakeholders to gather requirements and deliver features aligned with organizational needs
- Deployed and maintained the website, ensuring functionality, usability, and performance

SKILLS

- Programming & Web: HTML5, CSS3, JavaScript (ES6+), Responsive Web Design, DOM Manipulation
- Frontend: React.js, Component-Based Development, Hooks (basic), UI/UX Fundamentals
- Backend: Node.js, Express.js, RESTful APIs, Server-Side Development
- Database: MongoDB, CRUD Operations, Basic Schema Design
- Tools: Git, GitHub, API Integration, Debugging, Deployment (basic)
- Core CS: Data Structures & Algorithms (foundational), Problem Solving, OOP Basics

PROJECT

AI Smart Notes & Study Assistant.
MERN + AI | Personal Project

- Built a full-stack MERN application that uses AI to summarize text and generate structured study notes
- Integrated AI APIs to extract key points and auto-generate questions from user-provided content
- Developed RESTful backend services using Node.js and Express and stored user data in MongoDB
- Designed a responsive and intuitive frontend using React.js, HTML, and CSS
- Implemented user authentication and note history for personalized learning experience

EDUCATION

Bennett University , Greater Noida (201310) , UP
